

COUNTY OF YORK

MEMORANDUM

DATE: March 4, 2000 (BOS Mtg. 3/15/00)

TO: York County Board of Supervisors

FROM: Daniel M. Stuck, County Administrator

SUBJECT: Street Name Change from Newport Avenue to Sheppard Drive

Issue

Gabriel Enterprises and Bruton Glen L.L.C. request that the Board of Supervisors approve the renaming of Newport Avenue to Sheppard Drive. Currently, Sheppard Drive begins at a wooded lot east of Newport Avenue. The proposed section of Bruton Glen will connect the existing Sheppard Drive to Newport Avenue. By renaming Newport Avenue, it will keep the addresses uniform with the existing addresses on Sheppard Drive as well as expedite the final approval of Bruton Glen, Section 2, Subdivision Plat.

Consideration

There is only one property owner fronting Newport Avenue and this property owner has been notified of this requested street name change. This homeowner is in full support of this initiative, as is reflected in the attached letter. According to Section 20.5–79(d), Subdivisions, of the York County Code, street names shall not be changed except by resolution of the Board of Supervisors.

Recommendation

The proposed street name has been determined to be acceptable with respect to the requirements of the Subdivision Ordinance. I therefore recommend the adoption of the attached proposed Resolution 00-39 to approve the street name change.
